WORRY OVER PROPOSED CHARGES

Thousands of vulnerable disabled and older people in Surrey face significant increases in charges for their care under a new consultation from the County Council. Many are already being hit by benefit reductions and losing Disability Living Allowance in the transfer to Personal Independence Payment, and because their care packages have already been reduced. Now the County Council has begun consultation on 4 charges to their “Paying for Care” policy which will leave many people with little to live on.

These proposed increase in charges for care at home are:

1. Charging an administration fee to people who pay the full cost of their care and support

2. Increasing the percentage of income taken into account from 90% to 100%

3. Including the full amount of higher rate Attendee Allowance, Disability Living Allowance and Personal Independence Payments when calculating income

4. The Council will no longer disregard £20 per week when charging for respite care

We will be strongly opposing these changes, working with other user led organisations to demonstrate the impact on many individuals.
WORRY OVER PROPOSED CHARGES

All people currently receiving Adult Social Care and support will have received a letter last week setting out the proposed changes and encouraging them to give their views by completing a questionnaire or asking for a reassessment of their charges.

We urge people to take up the offer to seek advocacy support for this from Surrey Disabled People’s Partnership:

Tel: 0300 030 7333
Text 07561 392 818
Email: advocacy@sdpp.org.uk

We also ask you to let us have your views on the proposed changes and their impact on your lives.

Consultation closes on Thursday 6th June, so it’s important that individuals act now.

We will keep you updated.

SAD NEWS FROM SURREY COALITION

We are very sad to report on the recent deaths of two more of our very active members:

ELLA FINDLAY
Who died on 7th February 2016, aged 36. Ella was a founding member of the Surrey Coalition and a Board member for two years before starting paid work at White Lodge providing employment support for disabled people and then going on to run Camberley Hub. She was truly inspirational and is greatly missed by us all.

DILYS SCOTT
Dilys died suddenly on 7th March 2016, aged 65. Dilys was known to many Coalition members for her warmth and good humour despite the challenges she faced, and attended local meetings and our AGM when she could. She is greatly missed by all of us to whom she always gave such ready support.
**COALITION STAFF CHANGES**

**Alison White**, our Events Coordinator, retired at the end of March, having worked for Surrey Coalition for nearly 8 years. Alison was known to many Coalition Members with whom she communicated information about activities and events by email, Facebook and Twitter, and by many who benefitted from her help to resolve their difficulties and signpost to appropriate services. Alison is now off travelling with her partner, Bernard, in their new motor home – depicted here on her retirement cake made by Sue Perry, our Admin Assistant.

We are delighted that **Yasmin Broome** has joined Surrey Coalition as Alison’s replacement, with the new title of **Involvement Coordinator**. Yasmin started work on 11th April and can be contacted at email: [Yasmin.broome@surreycoalition.org.uk](mailto:Yasmin.broome@surreycoalition.org.uk) or Tel.Text: 07455267424. Yasmin will be known to very many Coalition members through her work over the past 8 years as the Disability Alliance Network Surrey (DANS) Coordinator (and formerly the Surrey Empowerment Boards).

**Jane Ahmed** also joined the team on 21st March, as our new **FoCUS Involvement Facilitator**, replacing Christine Schauerman, who left in mid-January. Jane was a member of South West FoCUS before taking up this role, working 12 hours a week to promote the Forum of Carers and people who Use Services provided by Surrey & Borders Partnership NHS Foundation Trust. Surrey Coalition provide independent administration and support for FoCUS, together with our partners, NB Consultancy, under a contract with SABP which runs until June 2017.

To contact Jane, email jane.ahmed@surreycoalition.org.uk, or telephone or text her at the Coalition office: Tel.: 01483 456 558, Text: 077809 33053

- Opportunities to have your say..........P.13-14
- Information for you .......................P.15-16
NEW INDEPENDENT MENTAL HEALTH NETWORK

For the past few months people with experience of mental ill health and carers have been meeting together as a Shaping Group to develop plans for a new Network to give them a stronger voice over the commissioning of mental health services. On 11th March, members of this Shaping Group came together with members of the Surrey Mental Health Group which Surrey Coalition and NB Consultancy have been supporting since the Surrey Link Mental Health Group ceased 3 years ago. At this meeting they agreed:

- An outline of “What the Network will look like and how it will work”
- Arrangements for the election of a new Chair and Co-Chair of the Coordinating Group which will run the Network, together with information on “The role of the Chair and Co-Chair”. The elections will take place at the next meeting of the Coordinating Group on 13th May
- The Group also started to produce a list of key issues to be tackled by the Network to improve mental health services in Surrey. These include problems of communication, referral, completion of treatment regimes, suicide prevention and the determinants of mental ill health, and concerns of mental health carers.

It is hoped that more information about the new Network will be shared widely following the meeting on 13th May, once leadership of the Coordinating Group and Network is taken by people using mental health services and carers.

CQC INSPECTION OF SURREY & BORDERS (SABP)

The Care Quality Commission inspected all of Surrey & Borders services during week commencing 29th February. Prior to the inspection we helped Disability Rights UK to hold a focus group with people with learning disabilities to seek their views on SABP’s services, and ensured that the members of the Surrey Mental Health Group and FoCUS could give their views too.

We understand that the CQC report on the Inspection will be published in July.
SABP VOLUNTEER AWARDS

Many congratulations to two people involved with the Mental Health Network Shaping Group (outlined on the previous page), who won awards for their voluntary contributions at Surrey & Borders CARE Awards Ceremony in March.

We are so pleased that they have both gained recognition for all their work over so many years.

Janice Clark

Won her award for her involvement and representation activities on behalf of carers

Tracey Hayes

Who won her award particularly for her work over 8 years in the development of the new Farnham Road Hospital

MORE NEW SAFE HAVENS OPEN

Following the success of the Aldershot Café set up in the NE Hants and Farnham CCG area in 2014, the other 5 CCGs in Surrey have been working with partners to set up Safe Havens for people in mental health crisis in their areas.

- Surrey Heath opened a Safe Haven in Camberley last year, linked to the Aldershot Café
- North West Surrey opened their Safe Haven at the Marjorie Richardson’s Centre, in Woking on 21st December 2015
- Surrey Downs opened their Safe Haven at the Larches in Epsom on 7th March
- East Surrey opened their Safe Haven at the Wingfield Centre in Redhill on 21st March 2016
- Guildford & Waverley opened their Safe Haven at Oakleaf in Guildford on 4th April 2016.

Contact us in the Coalition office for more information on the location and opening times.
UPDATES ON MENTAL HEALTH

NEW LEAD GOVERNOR AT SABP

Congratulations to Don Illman, a Service User Governor of Surrey & Borders, who was elected in March by his fellow Governors to become the Lead Governor. Don is well known to many people for his involvement in mental health over very many years, and is also a member of FoCUS and Surrey Coalition, as well as being a Governor

FoCUS ACTIVITIES

Members of SABP’s Forum of Carers and people who Use their Services have been very busy over recent months, giving their views at the March and April meetings of the 4 Area Groups on local issues and on Trust developments such as their Equality Delivery System, SABP’s Property Strategy, Feedback from FoCUS Committee and the Expert Report for Quarter 3. FoCUS members have also been involved in a number of co-design meetings with SABP staff, including:

- Designing discharge information
- Family involvement during the STEPPS Programme
- Community Hub naming workshop

Forthcoming opportunities include:

- Workshops on improving access to mental health crisis support, on 21st April in Staines and on 22nd April in Leatherhead
- Workshop on Outcome measures across working age services, to be used by all 6 CCGs to monitor Trust performance. To be held on 7th June from 2.30 to 4.30 at SABP HQ.

Contact Jane Ahmed in the Coalition office for further information.

NATIONAL NEWS ON MENTAL HEALTH

- February 2016 - the Future of Mental Health was published by the Mental Health Taskforce: [https://www.rethink.org/taskforce?utm_source=email&utm_medium=informz&utm_campaign=blank](https://www.rethink.org/taskforce?utm_source=email&utm_medium=informz&utm_campaign=blank)

The Emotional Wellbeing & Mental Health Partnership Board will be reviewing this Report at their next meeting in July, when agreeing the top priorities for the next 12 months.
WHAT OUR MEMBERS HAVE BEEN DOING

LONG TERM NEUROLOGICAL CONDITIONS GROUP (LTNC)

Members with conditions such as MS, Parkinson’s, Motor Neurone Disease and Brain Injury continue to meet quarterly with Commissioners, service providers, and charities, to implement the LTNC Strategy and help fill gaps in services. Pictured here at their last meeting in February, where they:

- Discussed the work of Parkinson’s Society in Surrey with the new manager Alastair Jack to help him map services and gaps
- Contributed to the Disability Action Plan to implement the Surrey Physical Activity Strategy, led by Lawrie Baker from Active Surrey
- Asked Lawrie to set up a Task & Finish Group to map hydrotherapy facilities and opportunities for people to attend exercise classes at leisure centres and gyms supported by instructors trained in long term neurological conditions
- Heard about new work started by East Surrey CCG to review commissioning priorities for people with motor neurone disease. We hope all CCGs will engage soon in implementing the Joint Strategy for LTNCs. Contact Carol Pearson in the Coalition office if you would like to join the Group, which meets next on 17th May.

WORKING WITH THE NHS IN KENT, SURREY AND SUSSEX

Over the past year our members have been involved in several initiatives led by the KSS Patient Safety Collaborative and the KSS Academic Health Sciences Network. More recent involvement included:

- Attending as the Regional Patient Representative the KSS Academic Health Services Expo and Awards Ceremony in London, where Surrey Coalition’s involvement was publicly recognised
- Being involved in new projects on Sepsis at Royal Surrey County and Ashford & St Peter’s Hospitals and on kidney damage at East Surrey and Ashford & St Peter’s Hospitals, following on from work done with the Patient Safety Collaborative.
WHAT OUR MEMBERS HAVE BEEN DOING

SURREY DOWNS COMMUNITY HOSPITALS

Members of Mid-Surrey Disability Alliance Network (DANS) have been working with Surrey Downs CCG to give their views on the CCG Consultation on their Community Hospitals. Representatives are also attending the options evaluation events in early April to discuss recommendations which have emerged since consultation began on 28th January.

The CCG are planning further events and activities up until the close of public consultation on 5th May. For more information visit their website: http://www.eventbrite.co.uk/o/9592231871, or contact Yasmin Broome Tel./Text: 07455 267 424.

NORTH WEST SURREY CCG PPIF

Our Co-Chair, Cliff Bush, represented Surrey Coalition at a recent meeting of the Patient and Public Engagement Forum (PPIF) where they discussed:

- The CCGs Strategic Transformation Plan
- Current CCG engagement arrangements including Patient Participation Groups, Locality Reference Groups and the role of Patient Advisory Groups, and
- The CCG Annual Report

We urge all Surrey Coalition members to join their local GP Practice Patient Participation Group (PPG) and ensure the views of their disabled patients are heard and acted upon. Ask about the PPG at your local surgery if you haven’t done so already.

CONFIDENCE THROUGH MUSIC

Several Coalition members benefitted from a unique confidence building training session organised by Alison White in February. Some of the participants are pictured here.
WHAT OUR MEMBERS HAVE BEEN DOING

DISABILITY ALLIANCE NETWORK SURREY (DANS)
The DANS and Surrey Coalition work together to reach as many disabled people as possible, and to enable them to have their say on both county wide and local issues in a coordinated way.

DANS CHAIRS GROUP
The Chairs and Vice-Chairs of the 4 Disability Alliance Network Surrey (DANS) Groups meet every two months to coordinate people’s views on county wide issues and to plan future activities. At their meeting in April they:

• Received feedback on the results from the consultation into the latest phase of the County Councils Local Transport Review. Final decisions on any changes will be confirmed in May.
• The Chairs were invited by Lawrie Baker from Active Surrey to feed into plans for implementing the Physical Activity Strategy, and
• Amended the Terms of Reference for the group to more accurately reflect the work that they do.

LOCAL DANS GROUPS
At the meetings of the 4 local DANs groups held in March members discussed the following:

• Carers Update by Debbie Hustings
• Consultation on Staines Sustainable Transport Package
• An update from the Chief Superintendent for Runnymede on policing in the area including plans for Single Points of Contact (SPOCs)
• Dementia Coffee Mornings and other services offered by Surrey Libraries
• Everyday First Aid by the Red Cross
• The Community Hospital Review carried out by Surrey Downs CCG
• Plans for Newlands Corner

See page 14 for details of the next meetings of the Area Groups in May 2016.
For more information please contact Yasmin Broome Tel./Text: 07455 267 424, email: yasmin.broome@surreycoalition.org.uk
Surrey Coalition members and representatives have been very involved in recent months in the co-design of specifications for new services and in the evaluation of tenders, to ensure these are what the recipients of services want and need. These include:

• **NON EMERGENCY PATIENT TRANSPORT.** 6 members actively participated in the Patient Advisory Group on Patient Transport set up by NW Surrey CCG as lead commissioners. They worked to co-design the new service specification and were involved in the evaluation of tenders which took place in early April. The outcome will be announced in a few months time, in preparation for the award of contract to start in April next year.

• **FIRST STEPS.** Representatives of service users and carers joined other Stakeholders at a Concept Day in early March to review the current First Steps Mental Health Promotion service and to identify new requirements to be included in the service specification for the future service. A representative is now a member of the Steering Group which is producing a draft specification for further engagement with service users and carers in May and June. The tender will go out later in the summer in preparation for the new contract to start on 1st April 2017.

• **WELFARE BENEFITS.** Several Coalition members also attended a Concept Day on 29th February on the future specification for the welfare benefits advice service currently provided by Get Wiser. Together with the many other stakeholders there everyone stressed the importance of the service to support many disabled people and families on low income to obtain the benefits they are entitled to. The Clinical Commissioning Groups (CCGs) and Surrey County Council are now considering how much money they can invest in the future service before the procurement process starts.

• **EQUIPMENT AND ADAPTATIONS REVIEW.** Many members were involved in the major review of equipment and adaptations services undertaken by the County, Borough and District Councils and the NAS last year, including completing questionnaires and attending co-design events. The work is now being taken forward through a Project Board with representatives of service users and carers from our Community Equipment group. This group meets quarterly and is now also monitoring the new Integrated Community Equipment Service (ICES) provided by Millbrook Healthcare from 1st April this year. If you are interested in joining this group, please contact Yasmin.broome@surreycoalition.org.uk, or Tel/Text 07455 267 424
NEWS IN BRIEF

SURREY HUBS

Sadly due to financial pressures on the County Council, it is no longer possible to continue the original plan to have fixed Hubs in High Street locations in every Borough and District, and some of the smaller Hubs have had to close. These include Camberley, Addlestone and Walton Hubs, which closed at the end of March, and Dorking, which will close in July.

The 5 main Hubs in High Street locations remain open in:

- Godalming
- Staines
- Woking

- Epsom
- Redhill

In the other Boroughs the provision of information will be undertaken by Volunteer Development Workers and volunteers opening a mobile pop-up Hub in different locations in community and health settings.

For more information visit the Surrey Hubs website: http://www.thesurreyhubs.org.uk

ASPH & RSCH MERGER HALTED

On 7th March, Ashford & St. Peter’s Hospitals Trust and Royal Surrey County Hospital Trust announced a decision by their Boards to pause their plans for the proposed merger. This is primarily to give the 2 Boards time to resolve the deteriorating financial predictions at Royal Surrey and other operational issues. We expect to hear more soon.

£20 MIL TO BE SPENT ON PAVEMENTS

We were pleased to hear that County Council Highways are to repair 200 miles of dangerous and broken pavements across Surrey. They will be prioritising footpaths outside schools, hospitals and shopping centres, which is good news particularly for people with mobility problems, wheelchair users and those with visual impairment in particular.

Don’t forget to report problems on the highways, roads and footpaths to Surrey County Council: Tel: 0300 200 1003 or text 07527 182 861.
NEW CAMHS SERVICE

Surrey & Borders Partnership are now leading the provision of Child & Adolescent Mental Health Services in Surrey through a new partnership with a network of national and local voluntary, statutory and private providers.

The new service, from 1st April 2016, is called MINDSIGHT SURREY CAMHS, and with a 30% increase in funding is now providing more for children and young people.

A new single point of contact for referrals from an online portal or SABP’s website and via telephone:

0300 222 5755

This is being managed by Beacon UK and will take referrals from practitioners and also provide advice to young people and their families. Look at SABP website: www.sabp.nhs.uk for more information about the new service.

NEW RESOURCE – SUPPORTING BAME TRANS PEOPLE

A new 28 page guide is available with practical tips, guidance and resources for supporting the Black, Asian, and Minority Ethnic Trans population of Britain.

It is called “Inclusivity – supporting BAME Trans people” and is available to download FREE at: http://bit.ly/1XrRIxq, or contact GIRES for a printed copy: info@gires.org.uk or contact us in the Coalition office.

HOSPITAL PASSPORT

The Hospital Passport for use by anyone with a long term condition, produced by our Long Term Neurological Conditions Group last year with much help from James Chilton in the Adult Social Care Engagement Team, is now also available to download from Surrey Information Point.

Or contact us in the Coalition office if you would like a paper copy of the Passport and Guidelines.
OPPORTUNITIES TO HAVE YOUR SAY

HOW WELL ARE WE DOING?
We would like our members to give us your views about Surrey Coalition of Disabled People, so that we can show our funders how important it is for disabled people in Surrey to have a voice.

ENCLOSED with this Newsletter is a short questionnaire for you to fill in and return to the Coalition office by Freepost or by email, by Monday 2nd May, please.

Your views are even more important than ever this year because of the County Council’s severe financial problems, which means that Surrey Coalition, along with 100 other voluntary sector organisations are having their grants and contracts reviewed in order to make savings.

We look forward to receiving your completed questionnaire soon.

GIVE YOUR VIEWS ON SECAMB
The Care Quality Commission will shortly be inspecting the services provided by South East Coast Ambulance Service, who provide Red light, Blue light and non-emergency patient transport in Surrey (and also in Sussex and Kent).

CQC want your views. We already know of the many problems which people experience in accessing and receiving patient transport for hospital appointments, but please do send us any other examples, so that we can pass these on to CQC.

The Inspection starts on 3rd May, so please let us have your views by Monday 25th April.

Email Yasmin.broome@surreycoalition.org.uk, or Tel. 01483 456 558 or text 077809 33053, or give your views directly to CQC - using this link: http://www.cqc.org.uk/content/south-east-coast-ambulance-service-nhs-foundation-trust-please-share-your-experience

JOIN AN EVENING GROUP IN GODALMING OR GUILDFORD
Becki Mitchell from Surrey Choices is thinking of setting up an evening social group in Godalming and Guildford for people with physical impairments and wheelchair users. ENCLOSED with this Newsletter for members living in the Guildford and Waverley areas is a short questionnaire which Becki would like you to fill in and return to her, in order to gauge interest and understand the potential barriers to attending and participating in evening social activities.
SURREY CHOICES
INVolVEMENT BOArD

Surrey Choices have set up an Involvement Board to enable their customers to give their views on the day opportunities and services they receive. The Involvement Board is supported by Dexter James, and meetings are held every two months. The next meeting is

**On Friday 27th May**
**From 10.30 to 2.30**, including lunch
**At the Holiday Inn in Guildford**

Everyone who is a customer of Surrey Choices is welcome to attend - contact **Dexter James on Tel / Text 07714 614 414, email dexter.james@surreychoices.com** if you want to go. Transport is provided, but please give lots of notice.

Things being discussed at the meeting include:

- Transport to day services and activities
- Update on the new Quality Checkers Group being set up by Dexter to involve 4 or 5 customers in checking all of Surrey Choices services

We hope you will go along and join in.

JOIN YOUR LOCAL DANS GROUP

Go along to the next meeting of your Area Group of the Disability Alliance Network Surrey (DANS) to hear about changes and services in your area and to have your say on where services need to be improved.

The next meetings are being held on:

- **Mid Surrey**–Monday 9**th** May, 1.30-4pm at Park House, Leatherhead
- **South West Surrey**–Wednesday 11**th** May, 10.30-12.30 at Godalming Baptist Church
- **East Surrey**–Monday 16**th** May, 1.30-4pm at the Orpheus Centre, Godstone
- **North Surrey**–Tuesday 17**th** May, 2-4pm at Addlestone Community Centre

Some of the things which will be discussed include:

- The work of Local Access Groups
- Trading Standards
- Library Service
- One Stop Surrey
- Happy, Healthy Home
- Engagement with local CCGs

For more information please contact Yasmin Broome: Tel/Text 07455 267 424, email yasmin.broome@surreycoalition.org.uk
INFORMATION FOR YOU

NEW NHS ENGLAND ACCESSIBLE INFORMATION STANDARD

In July last year NHS England issued a new Accessible Information Standard which all NHS and social care services have to comply with in full by July this year.

To comply, all NHS hospitals, GPs, community services and social care need to do 5 things:

1. Ask people if they have any information or communication needs, and find out how to meet their needs
2. Record those needs clearly and in a set way
3. Highlight or flag the person’s file or notes so it is clear that they have information or communication needs and how to meet those needs
4. Share information about people’s information and communication needs with other providers of NHS and adult social care, when they have consent or permission to do so
5. Take steps to ensure that people receive information which they can access and understand, and receive communication support if they need it

We have recently been working with Healthwatch Surrey to produce a tool which can be used to check compliance with the Accessible Information standard, so it would be good to know from you if you do not have your information and communication needs met as required, through the 5 steps above.

Please let us know of your own experiences.

NEW SUICIDE PREVENTION TOOL

Facebook is rolling out a new feature across the UK to help people who feel suicidal. Developed with the Samaritans it aims to provide advice and support for those struggling to cope, and for their friends and family.

For more information use this link: http://www.bbc.co.uk/newsbeat/article/35608276/facebook-adds-new-suicide-prevention-tool-in-the-uk

SPACES AVAILABLE AT FREETWHEELERS

Freewheelers Theatre Company have space for more course participants on their Dance and Media Workshops held on Thursdays in Cobham.

For more information Tel/Text 07988 941 230, or email Jessica Smith at jessfreewheelers@gmail.com
SURREY LAW CENTRE
SLC are there to help the disadvantaged people of Surrey defend their legal rights. They are based in Epsom, but also run outreach clinics in Dorking, Guildford, Walton, Godalming, Reigate, Oxted, Woking, Camberley and Staines. To make an appointment Tel.: 0330 002 0099, Email: reception@surreylawcentre.org We have also requested an SMS text number which we hope will be available soon.

For a copy of their leaflet please contact us in the Coalition office.

NEW PERSONAL ASSISTANCE SERVICE

Surrey Choices are launching a new Personal Assistance service on 26th April. This is a new service for people with support needs, who are looking for a Personal Assistant (PA) to support them in their homes and community, and thereby have greater independence. For more information about the new service contact Surrey Choices—Tel. 01483 806 806, Text 07880 020 130, or email info@surreychoices.com
