

Forum of Carers and people
who Use our Services

We were delighted to see new members at recent meetings and want more people to be involved.

What is FoCUS?

A voice for carers and people who use mental health, learning disability, older people, and drug and alcohol services in Surrey and North East Hampshire, provided by Surrey & Borders Partnership NHS Foundation Trust. Public meetings where NHS Managers learn from people who have experienced these services, what works well and what could be improved. FoCUS members are carers and people who use services, or have used services in the last five years.
